

Nova Scotia College of Respiratory Therapists

Dear NSCRT Members,

At the upcoming 2020 Annual General Meeting, the NSCRT membership will elect two new Directors-at-Large. Directors-at-Large members serve for a two-year term and may serve two consecutive terms. They are elected by the membership without a specific Board portfolio (such as Treasurer). The Nominations Committee is actively seeking applications for these positions.

Duties of a Director-at-Large:

- Full members of the Board charged with the responsibility of:
 - exercising visionary leadership;
 - establishing values and goals;
 - setting policies and procedures;
 - and advancing the mission of the College.

- May be called upon to participate as Committee Chairs and/or Committee members; or join task forces charged with executing specific projects or programs approved by the Board.

- Accept direction and duties as assigned by the President or the Board.

No previous Board experience is required. A comprehensive orientation for the successful nominee will be provided. If you have any specific questions about the roles and responsibilities of a Director-at-Large, please contact Adam Gillis, Nominations Committee Chair, at Adam.Gillis@nshealth.ca.

Sincerely,

Adam Gillis
Chair – Nominations Committee
